In buying a machine the buyer should be posted. The good
points of the Osborne are too numerous to mention. They are evident
to every man that compares Osbornes with other makes. This is no
bare assertion, but has been proven time and time again. Let me show
you the Osborne Columbia Mower the neatest, strongest and most
modern on the market.

Rev. Howard A. Wood, formerly
pastor of the M. E. church, South,
of this city and now pastor of the Morison
Memorial church of Denver, Colo., has
recently assumed an editorial position
on the Methodist News published at
Denver. Mr. Wood is spoken of as one
of the most able ministers of his church
in that state.

J. L. Adams, of Medford, has been
spending a number of days in Grants
Pass this week. He has lately returned
from a trip from the Applegate, Foots
creek and other valleys and reports the
fruit crop somewhat damaged by frost
on the lower ground, but the higher
orchards are affected little. He found
the farmers prospering, with good pros-
pects for bountiful crops.

J. T. Tufts of Wolf Creek spent several
days in Grants Pass last week on busi-
ness connected with the new brick build-
ing which is to be constructed on the
corner of Sixth and H streets. This
building it to be a two story structure
and will be 50 x 90 feet in dimensions.
The lower story is to be divided into
two rooms one of which is to be used as
a bank building and the other as a
store. The building will have a pressed
brick front and will add greatly to the
metropolitan appearance of Sixth street.

The Ashland Two Talk asserts that
liquor is being sold openly in that city
and says that the city fathers are asleep.
It says: "The last couple of days have
given the people who visit the incoming
trains a chance to comment. On board
the north bound trains a number of
soldiers have been. We see them
coming from town laden with beer, yes,
bottled Albany beer. And they don't
even have their bottles wrapped, but
promenade the platform hanging on to a
girl with one hand and a couple of
bottles of beer with the other."

Williams Telephone Line.

The new telephone line from Grants
Pass to Williams is now complete and
under operation. This line is some 20
miles in length and has five stations, one
each at Williams, Miller's, corners, Pro-
vost, Lee creek and Marbury.

Williams is one of our best districts,
rich in resources of agriculture, timber
and mineral and the extension of tele-
phonic privileges to the people of Wil-
liams is a recognition of the importance
of the section.

Chemical Engines Turned Down

The result of the special election held
on Monday for the purpose of disposing
of the question of fire protection was
altogether unfavorable to the chemical
engine idea, the fourth proposition, that
of a long term contract for hydrants,
receiving a comfortable majority over
all the others. In conformity with the
charter, the voting was restricted to
property holders. Following is the vote
by wards:

Ward	Propositions	1	2	3	4
First		6	7	0	29
Second		0	5	2	24
Third		3	6	2	4
Fourth		2	17	0	8

The dry weather of the past week has
been very conducive to the formation
of dust, which article has become much
in evidence, necessitating the resump-
tion of the use of hoses and other sprin-
kling apparatus. Nature took a hand in
the sprinkling industry on Saturday for
a short time, but the results were small
and inconsiderable.

Not the Right Fish.

The following item from the Santiam
News contains no trace of jocularity, yet
its afterthought causes the face to
wreath with smiles, even though the
wound is a painful one: "While spear-
ing suckers with a pitchfork last Sunday
Frank McDonald was unfortunate enough
to jab one of the tines of the fork through
his foot, causing quite a painful wound.
Suckers are quite plentiful in the famous
'sucker slough' just now and lots of
them are being landed by the aid of
pitchforks and other implements of war-
fare."

Native Daughters Entertain.

The Native Daughters held a very
pleasant social evening last Friday at

Weather of the Other Kind.

G. S. Person, formerly of this city,
writes from Greeley, Colo., under date
of April 15. His letter contains an item
in regard to the weather recently ex-
perienced there which is quite interest-
ing in view of its dissimilarity from
ours. He says: "The weather here
has been the worst that I ever saw in
this country, for the last week. It
snowed almost constantly for four days.
It began one week ago to night, and
now it is snowing again. It was very wet
and slushy and made me think of mid-
winter in Grants Pass. The snow
melted almost as fast as it came. Hope
it will let up soon."

Grand May-Day Ball.

The ladies of the Degree of Honor are
demonstrating by their thorough ar-
rangements for the event that the grand
ball to be given by the order on the eve-
ning of May 1st, cannot be otherwise
than the most complete success. One
attractive feature will be the Degree of
Honor drill which will be given by
young ladies in costume and will take
the
